

A Stormy Celebration

In a small town, there will be a big **festival** tomorrow. Everyone will gather in the park to celebrate. People will wear colorful costumes, and there will be music and dancing. The **mayor** will give a speech, and there will be delicious food to eat.

Children will play games and win prizes. At night, there will be a **fireworks** display that will **light up the sky**. Everyone will be excited and happy. But suddenly, the weather will change and it will start to storm. Nobody will have umbrellas or rain coats. They will rush home in the **pouring rain** and strong winds.
