

Emily's Busy Day

Emily woke up to a bright, sunny day. She got dressed, had breakfast and headed out to the park. She strolled along the path and noticed a group of children playing ball. She smiled and continued walking until she found a quiet spot under a tree. She sat down and began reading her book. Time flew by quickly, and soon after, it was lunchtime. Emily packed up her things and headed to a nearby cafe. She ordered a sandwich and some tea. She sat outside in the warm sun and started eating. Suddenly, a giant bird flew down and took her sandwich! She was very surprised and scared. She decided to eat inside the cafe from now on.

Vocabulary
